- Weekend Activities
- Over 400 Sites Available

Family-Focused Camping & RV Rentals

Since 1968, S&H Campground has been the go-to destination in central Indiana for family fun and memories that last a lifetime. Nestled along Sugar Creek just 20 minutes from Indianapolis, our year-round campground is hopping from April through October with activities scheduled every weekend. All camping styles are welcome, from primitive tents to luxurious motorhomes, and we also offer cabin and RV rentals along with facilities to accommodate groups and rallies.

A Different Kind of Campground

In addition to standard campground amenities and activities such as hiking, fishing, and swimming, S&H provides guests with a variety of planned events to enhance the camping experience. Ours is a family-owned campground community, and we encourage campers to share the fun through live music, outdoor movies, and magic shows.

We also operate a 12-acre Family Fun Park on the property with an array of inflatable playgrounds, miniature golf, black light miniature golf, and other kid-friendly entertainment. Dying for a good cup of joe or a scoop of decadent homemade ice cream? Visit Grounds & Mounds, our on-site coffee shop/ice cream parlor, or other concessions for a break from campfire cooking.

Unforgettable Camping

At S&H, our goal is to provide an extraordinary camping experience that our customers will remember forever. Whether our Indianapolis-area campground is your destination or your starting point, enjoy your trip knowing we're here to help. All you have to do is ask.

Family time is at a premium these days, making it more important than ever to discover activities you can enjoy together. You'll find plenty to choose from at S&H.
